President Desk

Education implies not just the acquisition of degrees but also developing the skills required to succeed in the competitive globalised environment. Sahyadri Institute in situation in the field of education the institute has completed more than 12 glorious years of educating social mind. We providing courses like Nursing, DMLT, Radiography, Fashion, Teacher Training. We at Sahyadri institutes offer our students quality education along with opportunities for multi-dimensional personality development. We provide a conducive atmosphere & proper infrastructure for research thereby encouraging students to explore the frontiers of knowledge. The academic Co-curricular and Extra-curricular achievements of us students are indeed commendable. Many congratulations to everyone who has brought laurels to the SIT. The faculty and the administrative staff of our institute have been the guiding and supportive factors that gave the strength to your wings. Our green in to activities and community services programmes sensitize students to the need of the world around them.

I wish you all the best.

Prof. Dr. B. R. Rode

(President)

SSES's Sahyadri Institute (SIT), Pune

Principal Desk

"Education is the most powerful weapon which you can use to change the World" - Nelson Mandela.

An educational institute is a temple of learning and character building. It has a profound role to play in melding an impressionable mind a formless society and finally in shaping the destiny of a nation. It is a job of the highest responsibility the responsibility of shaping thoughts We encourage the students to develop their talent by providing excellent infantry and training by experts in Academic, Sports and Cultural activities. We aim to create successful professionals. Who are also responsible citizens.

Prof. Aparna Rode
